NOTICE OF AVAILABILITY OF REVISED TEXT

On August 11, 2006, the Insurance Commissioner issued a Notice of Proposed Action, proposing the adoption of regulations governing the Life and Annuity Consumer Protection Program. The proposed regulations comprise the new Article 1, §§ 2698.23 to 2698.27 of Title 10, Chapter 5, Subchapter 9 of the California Code of Regulations.

PUBLIC COMMENT INVITED:

The Commissioner plans to make changes to proposed Sections 2698.23(i), 2698.25.3(a), and 2698.27(d), and now solicits written comments on those changes only. The Commissioner believes the changes made are sufficiently related to the original text that the public was adequately placed on notice that the change could result from the originally proposed regulatory action. Accordingly, pursuant to the provisions of California Government Code Section 11346.8(c), the Commissioner is soliciting written public comment on these changes.

A copy of the proposed sections to be revised, with the proposed changes clearly indicated, will be available for public comment and inspection for at least 15 days before the proposed action is adopted. Deletions are indicated in strikethrough; additions are underlined.

CONTACT PERSONS:

All written comments submitted in response to this Notice and all general or substantive questions regarding this Notice should be directed to either of the contact persons as follows:
